**BOOK EARLY
TO SAVE
YOUR SPACE!**

2021 has been another exceptionally busy boating year and as the summer is winding down, it is time to think about Winterization and Storage. The surge in Boat and RV sales has put a high demand on storage space, so we encourage you to secure your winter storage earlier than normal. Many of you are returning customers who have been storing with us for years and we sincerely thank you for your business. For those that have not stored with us before, we would love the opportunity to serve you.

We are a “one-stop shop” that can handle all your storage and winterization needs in one place. We have been in the marine business for over 30 years, and our service technicians annually update their Mercury Marine certifications. This ensures our customers receive the very best in service. Our pricing is very competitive, and we try to keep it simple by not adding a bunch of incidental fees. We have enclosed an insert entitled “Understanding Winterization” to help you be certain that you are receiving the services needed to best protect your watercraft over the winter season.

As always, we have a few different storage options available which are detailed on the enclosed contract. Winter storage must be paid in full at the time the reservation is made. Any additional requested service work will be billed at the time the work is completed.

Please keep in mind that our inside storage fills up quickly, so sign up early for guaranteed space. Due to space constraints, inside storage will no longer be available for boats over 25 feet. These boats can be wrapped and stored outside on their trailer. Our outside storage special is available for both pontoon and fiberglass boats. Customers choosing outside storage for a fiberglass boat must provide their own trailer. This package includes shrink wrapping of the boat and storage.

Be advised that winter storage contracts expire April 1, 2022. Customers who have reserved a slip may have their boat placed in that slip. Lake residents will have their boat placed in the courtesy slips in front of Wolfies for pick-up unless prior arrangements have been made.

Please remove all valuables, food and drinks, and deflate any inflatables and REMOVE foam pads prior to requesting service and storage. We will not be responsible for items left in boat. If you have any questions, please feel free to contact the marina at (317)849-8455.

Sincerely,

Greg Binder
Marina Manager

PLEASE NOTIFY THE MARINA AT LEAST 4 WEEKS IN ADVANCE TO ARRANGE FOR YOUR BOAT TO BE TAKEN OUT OF STORAGE AND SPRING STARTED. BOATS WILL NOT BE AUTOMATICALLY REMOVED FROM STORAGE WITHOUT A REQUEST FROM THE CUSTOMER.

WINTER STORAGE LEASE

This Agreement, made this ____ day of _____, 20____, by and between The Marina Limited Partnership, an Indiana partnership ("Lessor"), and _____, Whose address is _____
City _____ Zip Code _____ ("Lessee") Telephone # (h) _____ (w) _____
E-mail Address _____

WITNESSETH

1. Lessor has this day leased to Lessee a winter storage slip located near Geist Reservoir, Hamilton County, Indiana, for a term beginning October 1, 2021 and ending on April 1, 2022 unless sooner revoked by the Lessor pursuant to the terms of this Lease. Lessee agrees that the relationship entered into between Lessee and Lessor is that of Landlord and Tenant.
2. The rent for the subject winter storage slip shall be \$ _____ payable in full to Lessor upon the execution of this Lease. If storage is not paid by due date late fees will accrue. Lessee shall not assign or sublet this Lease without written consent of Lessor.
3. Lessor shall have the right to revoke this Lease in the event that Lessee fails to comply with provisions of this Lease or with any rule or regulation established by Lessor.
4. Lessee agrees to indemnify and forever hold harmless Lessor against each and every claim, demand, or cause of action that may be or could arise in the future against Lessor by reason of or in any way arising out of Lessee's rental of storage space and the use of the same. The above indemnity shall extend to but not be limited to any and all damage caused to the leased premises and other personal property or items stored and located on the leased premises and any injury to Lessee, or other tenants and any other parties who may be on the premises.
5. Lessee further agrees that the Lessor shall have no liability whatsoever or to any extent for or on account of any injury to any property of Lessee or to Lessee at any time for or on account of the destruction of any property at any time on said leased premises. Lessee hereby releases Lessor from any and all responsibility whatsoever in connection with Lessee and Lessee's property and acknowledges Lessee's rental and use of the premises shall be solely at Lessee's risk. In the event of any loss to the leased premises and/or contents thereof, Lessee shall look solely to his insurance coverage, if any, and shall make no claim whatsoever against Lessor. The Lessee understands that batteries, gas tanks, canopies, skis, anchors, rope, and other equipment are not the responsibility of THE MARINA LIMITED PARTNERSHIP. Lessee hereby agrees not to store any flammable or combustible material or objects on or about the leased premises.
6. Lessee understands that the Lease terminates on April 1, 2022. Lessee further acknowledges that should the Lessee hold over and retain or allow his property to remain on the premises after the expiration of the Lease (April 1, 2022), the Lessor will have the right to remove and store said boat and other personal property from the winter storage slip and place the boat on an outside location. Lessee further acknowledges that if his personal property remains stored as of June 1, 2022, he will be billed for summer storage and all covenants, conditions, rules and regulations contained in the Lease shall continue in full force and effect so long as the Lessee retains possession of the premises. The Lessee further acknowledges and recognizes that the Lessee, during any term, condition, or holdover, is not allowed in and out privileges. **Specifically, boats stored inside will not be removed from racks during the time period of the initial beginning of the term of the Lease, until conclusion of the April 1, 2022 time period.**
7. The Lessee Further understands that each party agrees to indemnify and save harmless the other party against and from any and all claims by or on behalf of any person, firm or corporation arising from any default in the performance of any covenant or agreement on its part to be performed under this lease. Additionally, each party shall pay the other parties reasonable legal costs and attorneys fees incurred in successfully enforcing against the other party any covenant, term or condition of the lease. In the event Lessee fails to comply with the terms and conditions of property and hold over, the Lessor shall have the right to exercise remedies of disposing of collateral and foreclosing on statutory liens pursuant to Indiana Law.

IN WITNESS WHEREOF, the parties hereto have entered into this Lease the day and year first written above.

Understanding Geist Marina Winterization & Storage Packages

As days grow shorter and another boating season winds down, it's time to get ready for the cold months ahead. But there's far more to preparing your boat for winter than simply storing it on land until summer returns.

Unlike your car, freezing temperatures can wreak havoc on a boat's engine, outdrives and water systems, cracking blocks and housings, ultimately resulting in expensive repairs and lost time afloat. An idle engine can quickly fall victim to destructive rust and corrosion.

When it comes to maintaining all systems aboard through the winter, proper preparation is critical. Many marinas offer various "winter packages", but not all packages are the same and many boaters may not understand what a full winterization process entails, or why it is vital to your boat.

It is easier to understand the winterization process if you look at it like your boat's annual check-up. Like a physical you may receive from your doctor, we check the boat's vitals such as idle speeds, oil pressure, operating temperatures, voltage, trim tabs and more.

A pre-winter oil change will leave your engine cleansed, protected and ready for spring. The oil and filters on every engine reduce friction and prevent corrosion while washing away the nasty by-products of combustion, such as carbon, silica and acids. We also change the gear oil for your outdrive and look for leaks.

We fog all 2-stroke engines, which coats intakes and cylinders and protects those areas from rusting. Freezing temperatures can crack a block and destroy an engine. We apply antifreeze to all inboard engines to protect from internal corrosion, as well as ensure there is no water in the engine to freeze.

Fuel that sits over the winter will begin to degrade as hydrocarbons react with the oxygen in the air. Oxidized fuel can clog fuel filters, gum up injectors, and generally hurt performance. To prevent these issues, we add fuel stabilizer to all tanks.

Each of these steps ensures that when your boat is all tucked in for the winter, it has been cleaned, prepped and treated with protective coatings inside and out.

When spring rolls back around, we perform our spring start on all boats that have been winterized and stored. All the winterized systems are re-commissioned and the boat is launched and run through all its paces to ensure all is running well. This is when everything can be compared to that fall "check-up" list.

As you consider where to store your boat for the winter, keep in mind that there is more involved than simply the storage per-foot fee. What does, and doesn't the winterization package include? Is it truly a total care package or will you be faced with added costs for winterization and spring starts? Are all parts and services included?

With upfront pricing and certified technicians who have the experience and know-how to properly winterize, store and spring start your boat, Geist Marina will have your boat ready for next spring without any unwanted surprises.
